ADD as needed for your applications

Furrow / Ripper Shanks (continued)

Series 366 is a heavier two-piece 1-1/4 x 3-1/2 shank with mid-shank shear bolts. Also add Shovels and/or Wings for cultivation. Series 365 has the same shank top and mounting hardware but features a ripper foot as used on Rippers and Mulch Lifters. The Ripper Point is sold separately. The Furrow and Ripper Shank bottoms are **interchangeable** for different jobs.
